LIMITATION OF SUBS PROVING STUMBLING BLOCK IN CONFERENCE

Indications Point to Continued Objections by Japan and France to the American Plan—Japan Maintains Silence as to Future Course—Airplanes May Settle Problem

WASHINGTON, Dec. 26.—The arms conference naval committee which faces a perplexing situation in its effort to agree on limitation of submarine strength tonight postponed its next meeting until Wednesday so that the French possibly the Japanese might receive from home officials more definite instructions regarding the compromise proposal of the American government.

WILL CONSIDER SUBSIDIZING OF MERCHANT SHIPS

Final Conference is Called for January Sixth

WASHINGTON, Dec. 26.—A final conference of officials of leading marine transportation companies with the shipping board's special subsidy committee will be called for January 5th to pass upon a tentative plan formulated by the committee providing for the subsidizing of the American merchant marine to insure its maintenance.

In its present form which, members of the committee stated today, is not of changes to the plan proposed both direct and indirect aid, the former thru diversion of ten per cent of import customs as bonuses to American ship operators and the latter thru establishment of a revolving fund of \$100,000,000.

ATTORNEY GENERAL DAUGHERTY SAYS NO ADVICE GIVEN DEBS

Said Debs Came to Washington of His Own Volition—Debs Says He Was Given Ticket by the Warden of the Penitentiary—Released Man Also Calls on the President

WASHINGTON, Dec. 26.—Eugene V. Debs, the Socialist leader, whose ten year prison sentence for violation of the espionage act was commuted on Christmas day came here today direct from the Atlanta federal penitentiary and called upon President Harding and Attorney General Daugherty.

After his conference with Debs the attorney general declared in a statement that there were no unusual conditions attached to the commutation of the Socialist leader's sentence, that no advice was offered to Debs, nor was any requested and that he hoped Debs would direct his talents to a useful purpose.

GERMANS TO SEND REPRESENTATIVE ON REPARATIONS

Will Discuss Country's Forthcoming Reply

BERLIN, Dec. 26.—Dr. Fischer, chairman of the German war debt commission has been instructed to proceed to Paris for oral discussions with the reparations commission.

His mission concerns Germany's forthcoming reply to the reparations commission's inquiries and was decided upon after informal conferences before the members of the cabinet, Dr. Rathenau and Rudolf Havenstein, president of the reichsbank at which several under secretaries of the ministries of finance and economics also were present.

Altho Dr. Rathenau has been in constant touch with the cabinet and also with President Ebert since his return from London where he was engaged in reparations affairs official quarters decline to discuss the information he brought back or to give any indication of the nature of the reply, which it is expected will be despatched to Paris before the end of the week.

DAUGHTER OF FIRST MENARD SHERIFF DEAD

RAIN CREATED FLOOD CONDITIONS

PHOENIX, Ariz., Dec. 26.—Rain, which has been falling almost continuously since 11 o'clock yesterday morning had caused Cave creek, ordinarily a dry wash to reach flood stage tonight as far south as the Arizona canal, the northern boundary of the irrigated portion of the Salt river valley, according to reports received by officials of the Salt river valley water users association.

THIEVES CARRY AWAY 1,000 POUND SAFE

ST. LOUIS, Mo., Dec. 26.—Thieves broke into the Gantz Cafeteria here late Sunday night and carried away a 1,000 pound safe containing more than \$400 in cash and a number of valuable papers. The robbery was not discovered until this morning when Joe M. Gantz, proprietor, went to the cafeteria to work on his books. The empty safe was found this afternoon on the outskirts of the city.

TAPT GUEST OF CHICAGO BAR

Chicago, Dec. 26.—William Howard Taft, chief justice of the United States supreme court, will arrive in Chicago tomorrow as the guest of the Chicago bar association.

IMPORTANT BILLS TO COME UP IN NEXT CONGRESS

Mondell Outlines Program to be Carried Out

WASHINGTON, Dec. 26.—Legislative plans for the present session of congress call for the enactment of bills to encourage the merchant marine, to provide some sort of bonus payment to former service men, enact permanent tariff schedules and provide the regular appropriations which sustain the government, Representative Mondell, Republican, house leader said today on leaving the white house after a conference with President Harding.

There are no definite proposals on the merchant marine or soldiers' bonus which can be said to have the approval of the majority at this time Mr. Mondell said but the outline of subjects to be taken up includes both matters. Every endeavor will be made in the house, he added, to have all the appropriation bills originate there, enacted by April 1, so as to give the senate time to consider them on final passage and the congress in June.

The question of finding the sources for funds with which to pay the soldiers bonus, the house leader asserted was the chief stumbling block of proposals for such a bill.

Representative Mondell said he did not discuss with the president the remuneration plan for subsidizing merchant ship operation and he expressed the view that considerable discussion would be required before congressional leaders could adopt a plan for action on such a measure.

There is a possibility that President Harding will leave Washington before New Year's for a three day trip to Pine Bluff, N. C., but no definite decision as to plans had been reached tonight.

MINE WORKERS OFFICIALS ARE UNDER ARREST

Were Released from Charleston Jail Saturday

LOGAN, W. Va., Dec. 26.—C. Frank Keeney and Fred Mooney, president and secretary-treasurer respectively of District No. 17, United Mine Workers of America, and William Blizzard, a sub-district president of the union, were placed in jail here tonight after their surrender at Huntington, to Sheriff Chafin, preparatory to pleading to indictments growing out of the armed march into Logan county last summer.

The three men were released from jail in Charleston Saturday afternoon after furnishing \$10,000 bail each.

They had been held there in connection with the same Logan county demonstration. Several months ago Keeney and Mooney obtained their release on bail from the Mingo county jail where they had been incarcerated as a result of industrial troubles in the Tug river district.

THREE MEN NAMED HALL IDENTIFIED BY BANK EMPLOYEES

Arrest Was Made By Chief of Police Sloan of Auburn After He Had Seen Edward Hall Displaying Some Rare Coins—Robbery of Bank Took Place December 20

CHICAGO, Dec. 26.—Three men said to have been identified as members of the band of bandits who robbed the State Bank of Iuka, Ill., on Dec. 20 and escaped with \$16,000, were arrested in Auburn, Ill., today by Chief of Police A. Sloan. The men, Edward, Rex and Lester Hall, are brothers.

Information that the men had been arrested was received here tonight in a telegram from Chief Sloan to Edward S. Arentz of the Illinois Bankers' association. Their arrest was brought about, the telegram said, when Edward Hall was seen by Chief Sloan displaying some rare coins. These coins, it was said, were part of the loot obtained by the bandits.

When the robbery occurred circulars were sent out to the police in all Illinois cities in which the coins were mentioned. The possession of the coins aroused Sloan's suspicion and he searched Hall. He found a large sum of money as well as a revolver. After an investigation Chief Sloan arrested Hall's two brothers and according to the telegram the three were later identified by bank employees who were in the bank at the time of the robbery.

The men were brought to Salem, Ill., this evening by Sheriff Lucian Beasley of Marion county. The bank was held up shortly before closing time on December 20 when four unmasked men entered the building. A fifth bandit remained outside in an automobile.

CONTINUES HEARING AGAINST STRIKERS

LINCOLN, Neb., Dec. 26.—Hearing on the application for an injunction by the Morton Gregson Packing company of Nebraska City against striking workmen whom the company charges was assaulting and intimidating non-union men was continued in federal court here today until next Friday when District Judge Munger said he hoped to be able to make a ruling.

Affidavits were presented by both sides to the controversy and some verbal testimony was given together with argument by attorneys for the company and the strikers. Sheriff Fisher of Otoe county was accused by the company attorney of being in sympathy with the strikers and negligent in his duties. An affidavit filed by the sheriff said there had been no violence.

Mexican officials said that after Reyna was captured soldiers unearthed 30 rifles, 30 saddles and about 4,000 rounds of ammunition at the spot where he was digging. Reyna and his chauffeur were arrested by 15 Mexican soldiers under the command of Capt. Francisco Gonzalez.

WITHDRAW PATROL ON MEXICAN BORDER

SAN ANTONIO, Tex., Dec. 26.—Co-operation given United States immigration agents in patrolling the Mexican border by troops were withdrawn in an order published at headquarters, eighth corps announced today.

During the war when violations of immigration laws were too numerous for agents of that department to cope with the situation, the United States soldiers upon orders from the old Southern department headquarters assisted in keeping out of this country undesirable persons.

### MASTER OF HARMONY

President Harding has been made honorary chairman of the Curson Memorial Foundation, which will be devoted to the encouragement of good music. Quite proper. In an interview with the Washington correspondent of "Musical America," during the political campaign of 1920, Mr. Harding declared:

"I am in favor of placing the government squarely behind the nation-wide effort to bring music into its own and to establish a definite and permanent place for it in our national activities. . . I have always favored the teaching

of music, both vocal and instrumental, in our schools, and I shall ever feel that these studies should have an important and essential place in the educational curriculum of our institutions of learning, from the lowest to the highest."

The president, when a young fellow, played the cornet in his town band and could hit B-flat with ease. However, his greatest achievement in this line is in political oratorical, where he is proving himself to be a genius for harmonizing.

### "FORBES" BUSINESS AND FINANCIAL FORECAST

B. C. Forbes, well-known financial and business writer, takes an optimistic view of America's business outlook for 1922.

"Some months ago," says Mr. Forbes in Forbes Magazine, "when many uncertainties and much pessimism prevailed, I ventured to predict that most things would work out better than feared, including the threatened railway strike, the Irish deadlock, the Mexican situation, sterling exchange, the security markets and the rather scoffed-at conference on armaments."

"Events justified such optimism, and I continue optimistic over America's prospects for 1922. Conditions in the United States have been governed during the last seven years almost wholly by conditions abroad. Therefore, any

analysis of the outlook for this country must take into consideration the outlook for foreign affairs.

"In my mind, Germany with its constantly and outrageously swelling paper currency and its alarming national budgetary deficit has been by far the most dangerous spot abroad. Personally I am not convinced that occasion for grave concern has yet passed. Nevertheless, the general view in international financial circles now is that the reparations payments will be modified and Germany given a chance to recuperate."

"The winter months cannot be expected to bring any notable expansion in business, but starting in the spring the forward movement ought to gain momentum, with business on a satisfactory basis and in full normal volume by fall."

"In the security markets, the phenomenal activity in gilt-edged bonds is likely to veer towards securities offering higher yields—first in the general run of bonds, then in preferred stocks and next in common stocks, both dividend paying and non-dividend paying. Railway as well as industrial stocks should share in the improvement."

"The railroad outlook, to my mind, is today better than it has been in many years. As business revives earnings should increase at least to the minimum named in the Transportation Act. Labor troubles are a possibility."

"Among industries which should do better in 1922 are iron and steel, copper, building materials in general, coke, oil, rubber, automobiles, agricultural machinery, electrical, leather, clothing, mail-order, packing, canned goods, exporting and importing shipping, public utilities and, in the matter of volume coal."

**EX-SERVICE MEN AT J. H. REMEMBERED**

The ex-service men now being cared for at Jacksonville State hospital were given a number of Christmas trees. On Sunday there was a Christmas tree provided by the hospital management, and from it were distributed gifts from the families and friends of the men.

Monday the representatives of the American Legion visited the boys on their ward and distributed boxes of candy, apples, oranges and nuts. There were also gifts of games and a surprise package for each individual. There are seventy-four of the ex-service men and each received a generous portion of the holiday gifts. Following the distribution of the gifts there was a concert by the hospital orchestra and later cigars and cigarettes were passed.

"TO HIM WHO IN THE LOVE OF NATURE"

When some people slip and fall upon an icy pavement they break forth in language which is not found in the Sunday school books while others merely smother their bad words. But E. C. Rutherford of the Courier staff takes neither of these methods. Instead he expresses his feelings in verse, and this is the way he tells about a fall he had Sunday morning when his foot slipped and he found himself in violent contact with an extremely hard pavement:

Aboard on Christmas morning.  
My joyous way I took;  
And got a Christmas present  
For which I didn't look.

My feet flew clear from under,  
And waved in heaven's face;  
My skull it cracked like thunder;  
My brains were out of place.

As from the icy pavement  
My aching bones I lift,  
I wish old Mother Nature  
Had withheld her Christmas gift.

## ARTHUR JOHNSON OF CHICAGO VISITS HERE

Employee of Interstate Commerce Commission Guest of Relatives in City—Will Go to Washington Early in January

Arthur Johnson is here from Chicago for a few days' visit at the home of his father, Herman Johnson, on South West St. Mr. Johnson is an employee of the interstate commerce commission, engaged in statistical work and has been located in Chicago for several years. Early in January he will go to Washington with other attaches of the commission. For the past seven or eight years the work of valuing the property of the railroads of the United States has been under way directed by the commission. This work is practically done now so far as the compilation of facts and figures and it is for this reason that the commission workers are now to be transferred to Washington.

The information made available by the long period of research will now be tabulated and placed in usable form as a basis for rate making on the part of the commission.

One year of Mr. Johnson's service with the commission was interrupted as he served with the Ninety-first division overseas. He was in California when he entered the service and took his training at Camp Lewis, Wash. The troops of infantry with which he served went overseas early in 1918 and he had his part in the battle of the Argonne.

Mr. Johnson will remain in Jacksonville until Thursday.

### OLDEST NEGRO COLLEGE BURNS DOWN

On last Wednesday Wilberforce University located three miles from Xenia, Ohio, caught fire from crossed wires and despite the efforts of the faculty and students to save the structure it burned to the ground, leaving hundreds of boys students without clothing, books or shelter.

Wilberforce was the first school erected for negroes in the year of 1853, the late John M. Brown erected a log building at Jefferson, Ohio (14 miles from Wilberforce) and taught his people in a night school, as fast as the underground railroad workers could bring them into a free state, later on, with Daniel A. Payne, Brown interested William Wilberforce, an Englishman, who made it possible for the negro race to have a school of learning. Payne became the president and John M. Brown was elected bishop of the African M. E. church, his son, a trustee of Wilberforce, and now a presiding elder of the same church, Rev. George A. Brown resides in Springfield.

The burning of Wilberforce is a great loss to the negroes of America, and while there are dormitories still standing, where hundreds of girls are in attendance, this ruined structure was the largest and first one of the buildings to be erected. It was over fifty years old. Efforts will be made by the race to rebuild at once. The loss is estimated at \$105,000. Rev. R. H. Hackley, pastor of the A. M. E. church in Jacksonville, is also a trustee of Wilberforce.

Committee on Conservation and Advance of M. E. Church Sends Out Statistics About Local College.

The Committee on Conservation and Advance of the Methodist Episcopal church has recently sent out some interesting statistics with reference to Illinois Woman's college. Based on the number of 240 students, it was shown that 36 live on farms and 45 in towns of less than 1,500 people, while 115 live in towns of from 1,500 to 15,000, and 44 are residents in cities with a population exceeding 15,000.

Methodist, Baptist, Presbyterian, Christian, Congregational, Lutheran, Catholic, Unitarian and Christian Science churches all have representation, only seven out of the 240 being without church affiliation.

Over one-third of the students are daughters of business men or men interested in exchange or distribution, while one-third are daughters of farmers or men interested in farming. The statistics go further and show that more than one-fifth are daughters of professional men.

Fourteen states are represented, including Illinois, Florida, North Carolina, North Dakota, Minnesota, Oklahoma, Indiana, Kentucky, Missouri, Iowa and Nebraska sending the larger number with a few students from seven other states.

## A Few Piano Facts

Never in the history of piano making have pianos been so well made as now. The pianos of 1921 have set a record for quality that probably never has been duplicated.

### Here's the Reason

Every factory has been running with fifty per cent and less of former force. Only those of highest skill have been retained. Men are working at the bench who in former years have been heads of departments.

### Therefore Buy a 1921 Piano

And secure workmanship that probably never will again be duplicated. These are easily proven facts.

"Economy" in today's language means "spending wisely." Mere initial saving on the purchase price doesn't necessarily mean economy. Oftentimes it means waste—extravagance.

The ancient Greeks, who contributed the word economy to civilization, also builded the finest examples of economy in the history of the world.

The beautiful Parthenon at Athens, Greece, was built nearly 2400 years ago. Consider its endurance in relation to its original cost. That's real economy.

To secure the greatest economy and satisfaction in your purchases, you must KNOW the character and reputation of the man who makes the merchandise you buy.

Carlotta is an English girl who has been reared in a Turkish harem. To escape a distasteful marriage she escapes with an English adventurer, and finally reaches London. Here the man is killed and the girl is destitute. She attaches herself to Sir Marcus Ordeyne in a park and begs his protection. He takes her home out of pity and finds no way of disposing of her. Her pique and utter innocence soon win his staid bachelor heart and he plans to marry her. Judith Mainwaring, a woman of the world who has long loved Sir Marcus, tells Carlotta he merely pities her and is marrying her to stop unpleasant gossip. Carlotta then runs away with Pasquale, one of Sir Marcus' friends, though she loves Sir Marcus. Months later Mrs. Mainwaring meets Carlotta in Paris, and ashamed, tells the girl the truth, that Sir Marcus is distracted and still searching for her. Carlotta then goes back to the kindly benefactor who has awakened her soul and taught her what love means.

**ECONOMIC POLICY  
OF SOVIETS HAS  
BEEN APPROVED**

Policy Was Outlined by  
Premier Nikolai  
Lenine

(By The Associated Press)  
MOSCOW, Dec. 26.—The ninth  
all-Russian soviet congress today  
approved of the new soviet econ-  
omic policy as outlined by that  
gathering yesterday by Premier  
Nikolai Lenine. This approval  
was given by accepting Premier  
Lenine's address which was pre-  
sented with the report of the  
council of commissioners on the  
domestic and foreign and policies  
of the soviet government.

The congress endorsed a resolu-  
tion of thanks to Dr. Fridjof  
Nansen and the American relief  
administration for recent famine  
relief in Russia, the resolution  
especially mentioning the relief  
administration as having helped  
more than another foreign organi-  
zation.

Delegate Semashko presented an  
alarming report on the typhus epi-  
demic, which he described as be-  
ing so bad on the railways that  
half of the soldiers traveling from  
place to place had contracted the  
disease. He said dozens of bodies  
including those of many children  
were being picked up daily at con-  
gested railway centers.

**FIVE MEN HELD  
IN ROBBERY CASES**

EAST ST. LOUIS, Ill., Dec. 26.—  
Five men were held by police  
here tonight following their ar-  
rest yesterday and today in con-  
nection with the recent robberies  
of the State bank at Dupon and  
the pay roll robbery at Kincaid  
last August. Police call the men  
are principals in a ring of bank  
robberies. The two thefts total  
\$110,000.

**HARD PROBLEM FACES  
NAVAL COMMITTEE**

(Continued from Page One.)  
The initial suggestion for a  
world submarine conference came  
from the British delegation.

It is pointed out that in the  
event of the calling of a special  
world submarine conference,  
such matters as use of poison gas,  
aircraft bombing and any other  
new agencies of war could be talk-  
ed over with a view to setting up  
an international code to cover  
their employment. The Washing-  
ton conference is regarded as too  
limited in scope to deal with such  
questions.

It further appears possible that  
the difficult question of land ar-  
maments could be put forward to  
the supplemental world assembly  
on armaments as three years may  
show changed conditions in Eu-  
rope which will then admit of an  
agreement to curb army establish-  
ments as well as navies.

The project to call another ses-  
sion of the five power naval con-  
ference, seven years after the ten  
year holiday begins, first was sug-  
gested, it is understood by the  
French delegation.

It should be recalled that while  
the 5-5-3 capital ships ratio has  
been accepted provisionally at  
least, by all five powers, it does  
not become effective until the ten  
year holiday ends. During the hol-  
iday, Great Britain will maintain  
a 20 per cent larger capital ship  
fleet than that of the United  
States. She has agreed to scale  
down at the end of that period to  
an equality with the American  
fleet, however, and this process  
cannot be worked out now in de-  
tail. By again going over the  
ground three years before the hol-  
iday ends however, the method of  
the British reduction can be pro-  
vided for even if it does not seem  
advisable to provide for further  
naval reductions, all around as  
many delegates hope will be the  
case.

The three year interval will per-  
mit the building of new ships to  
displace the old in the rearrange-  
ment of tonnage under the five-  
five-three program.

It is also regarded as altogether  
probably that in seven years the  
present controversy as to relative  
merits of capital ships and air-  
craft in war will have cleared up.  
Should the predictions of some ex-  
perts that aircraft eventually will  
make capital ships useless have  
been made good during that per-  
iod, the seven year session of the  
naval limitation conference could  
write that development into a new  
naval agreement contemplating  
abandoning of the capitals alto-  
gether it is pointed out. In the  
same way, it could apply to the  
new theory of non-competitive  
naval building any other scientific  
development in the way of new  
agencies at warfare which the  
years have brought to light.

**STRIKERS DEFY  
OMAHA POLICE**

OMAHA, Nebr., Dec. 26.—Open  
defiance of police was manifest-  
ed here tonight by large crowds  
of packing plant striking work-  
men. Two men were arrested af-  
ter they had assaulted a police-  
man attempting to disarm him.  
Union officials said they had  
urged every man on strike to be  
on the picket lines but they had  
cautioned them not to use vio-  
lence or carry weapons of any  
kind.

**ISOLATE  
SAN DIEGO, CAL.**

SAN FRANCISCO, Cal., Dec. 26.—  
Continued rail all over Cali-  
fornia for another 24 hours was  
predicted today by the weather  
bureau. The precipitation thru-  
out the state and especially in the  
southern part, has been  
heavy for a week. The San Fran-  
cisco rainfall in the last 24 hours  
was .93 inches in Los Angeles .90  
inches and at Mount Wilson 2.75  
inches.

San Diego was isolated today  
as a result of nine days of rain.

**WILL CONSIDER  
SUBSIDIZING OF  
MERCHANT SHIPS**

(Continued from Page 1)  
corporation to insure its own  
ships and to offer hull insurance  
at cost to private American own-  
ers backed by a loan of \$10,000,-  
000.

Other suggested schemes in-  
clude the carrying in American  
ships of at least fifty per cent of  
the immigrants coming to this  
country, a ship licensing system;  
amending and revising of naviga-  
tion laws; preferential thru rates  
to American flag vessels, and ex-  
tension of coast wise laws to our  
insular possessions and the coop-  
eration of shipping board and  
navy to secure better compensa-  
tion of the merchant marine of-  
ficers and men of the naval  
reserve.

Believing that indirect aid will  
not alone enable American ships  
to operate successfully in compe-  
tition with those of other nations,  
the committee also has adopted  
tentatively the following methods  
of direct assistance:

Establishment of American  
shipping on an even competitive  
basis with that of Great Britain  
by a basic payment to American  
ship operators to cover the gen-  
eral wage and subsistence differ-  
ential between the ships.

A portion of the remunerative  
funds of about \$5,000,000 per an-  
num for encouraging construction  
of mail carriers.

Encouragement of special ser-  
vices and new routes thru nominal  
bare boat charters, operation un-  
der managing operators' contract  
until private capital is available  
and thru bids for the operation of  
prescribed routes and services.

Customs receipts and tonnage  
taxes from the main support of the  
direct aid suggested. From the  
estimated income from customs  
receipts for 1922-23, about \$300,-  
000,000, ten per cent of \$30,000,-  
000 would be set aside as a spe-  
cial fund for paying remuneration  
to American ships on a basis to be  
adopted.

Augmenting this fund, there  
would be, the report states a ton-  
nage tax collected in American  
ports from all ships both Ameri-  
can and foreign, this tax estimat-  
ed at \$2,000,000 under present  
conditions would be raised to \$4,-  
000,000 if the proposed tonnage  
dues under the pending measure  
are made effective.

**WORKERS' PARTY  
HAS COMPLETED  
ORGANIZATION**

Perhaps They Will Now Go  
Back to Honest  
Labor

NEW YORK, Dec. 26.—Steve  
Burcher, New Jersey delegate to  
the convention called for organi-  
zation of the workers' party of  
America who presided with a po-  
lice man's billy at yesterday's  
Mahaska county farmer, was  
found in a large barn on his son's  
place this morning. The top of  
his head had been blown off with  
a shotgun. No reason is known  
for his apparent suicide. He was  
in good health and had no finan-  
cial difficulties.

Hot Springs, Ark., Dec. 26.—  
Buck Cutler, who is charged  
with killing Will Blackburn was today  
reported captured by Sheriff  
Crump of Mt. Ida. Cutler is in  
jail at Mount Ida.

NEW YORK, Dec. 26.—The  
body of Sam Cruzen, 65, wealthy  
Mahaska county farmer, was  
found in a large barn on his son's  
place this morning. The top of  
his head had been blown off with  
a shotgun. No reason is known  
for his apparent suicide. He was  
in good health and had no finan-  
cial difficulties.

Then followed an address by  
"Comrade" Bill Dunn of Mont-  
clair, a former I. W. W. leader in  
which he predicted the ultimate  
success of the Russian revolution  
and the spread of communism  
thruout the world.

He added that it was "becom-  
ing fashionable to believe that some  
sort of capitalism is springing up  
in Russia."

"We are meeting here in secur-  
ity, or at least in fancied secur-  
ity," he continued, "and up to the  
present none of the forces of capi-  
talism either thru the government  
or otherwise has interfered with  
us. As a matter of fact no radica-  
body has been raided within the  
last two years and some of us  
seem to think that the hysteria of  
war has died down. But is that  
true?"

He then declared that the rea-  
son for the lack of raids was be-  
cause the radical element had  
banded together and fought back.

The preamble to the party's  
declaration of principles, finally  
adopted before adjournment was  
taken sine die, denounced the  
"capitalist class" declared the  
party favored the "Russian pro-  
letariat dictatorship" and affir-  
med that the Russian soviet gov-  
ernment was firmer today than  
ever.

Continuing, it declared that the  
United States had acquired the  
insular possessions by loot and  
plunder and called for freeing all  
such lands and withdrawal of  
troops from Haiti.

CINCINNATI, O., Dec. 26.—Con-  
tinuing to rise at the rate of ap-  
proximately one tenth of a foot  
every two hours, the Ohio River  
at Cincinnati registered 55 feet at  
7 o'clock tonight. Indications  
were, according to river mea-  
sures, that the rise would continue at a  
diminishing rate until a crest of  
about 56 feet is reached late to-  
night. Reports from up river  
points indicated that all the large  
tributaries were receding while  
the main stream continued to rise  
slowly.

# CENTRE TRIMS WILDCATS' CLAWS

Kentucky Colonels Take Measure of Arizona in Easy Style—Westerners Never Had But One Chance to Score

SAN DIEGO, Cal., Dec. 26.—Centre college crowned its football invasion of the west with success by splashing to a 38 to 0 victory over the University of Arizona here today. Rain fell throughout the game and the field was a churned mass of slippery slime. Several thousand people, rain-coated and huddled under umbrellas, stood thruout the contest.

Centre outclassed Arizona completely. In the first half the Wildcats did not make a first down and thruout the game they rarely had possession of the ball. In the third and fourth periods they made a few good gains but were unable to maintain a continued drive.

"Red" Roberts, noted end of the Centre team and his equally noted team-mate, "Alvin" "Bo" McMillan, were the Centre stars, altho the work of the other Kentuckians showed that the team is not a one-man machine. The work of Roberts was particularly noticeable; his sensational catches of forward passes, his line bucking and his work in interference being cheered by the spectators.

## Play by Periods

First period—Arizona's defense was unable to check the charging Kentuckians, who tore thru for two touchdowns in the first period. Line plunges and end runs, with Snoddy, McMillan, Tanner and Roberts carrying the ball, gave the southerners their first score, Roberts taking the ball across. Bucks thru tackle and a forward pass sent McMillan for the second.

Second period—Center continued to hammer Arizona's line and four minutes after the second period opened, Tanner went across for the Kentuckians' third touchdown. McMillan missed another goal. After the next Arizona kickoff the Tucson defense stiffened and on the fourth down with ten yards to go Armstrong threw a forty-yard pass to Snoddy on Arizona's twenty-yard line. Murphy replaced Snoddy and fumbled on the next play and Arizona kicked to safety.

Third period—Arizona started a drive toward the Centre goal after the third period opened and a forward pass and three gains thru the lines, with Manzo and Hobbs carrying the ball, put the Wildcats in a threatening position. A forward pass over the

Centre goal line however, was intercepted and the Colonels took the offensive. A thirty yard run by McMillan and gains by Armstrong put the ball on the Arizona three-yard line from where Snoddy bucked over. Roberts kicked goal.

Fourth period—Centre hammered to the Wildcats' five-yard line but lost the ball on a forward pass and Arizona punted to Covington, who ran thru a scattered field to another touchdown. Roberts missed goal. Following the Arizona kickoff, McMillan gained twenty yards on an end run and Covington, on plunges thru right tackle, made the Kentuckians' last touchdown. Covington kicked goal.

(By The Associated Press)

LOUISVILLE, Ky., Dec. 26.—Miss Edna Stellar, twenty-two, of Jeffersonville, Ind., was drowned late last night when an automobile plunged into a gulley filled with thirty feet of water, caused by Ohio river flood waters. Brakes on the car failed to work and the driver, after catching the victim's clothing, lost his hold. The accident occurred four miles from Jeffersonville. The victim's body has been recovered, but the automobile is at the bottom of the ditch.

ARDMORE, Okla., Dec. 25.—Fire early this morning completely wiped out the entire business section of the town of Dillard, located in the heart of the Hewitt oil field, causing damage to the amount of \$100,000. None of the structures was covered by insurance.

BLOOMINGTON, Ill., Dec. 26.—The Chicago & Alton shops here will be operated but three days a week until further notice, according to a bulletin posted here Saturday. Approximately 1,500 men will thus be put on a half-time basis. Local officials refused to comment on the order, stating that the orders had come from general headquarters.

SPRINGFIELD, Ill., Dec. 26.—Declaring his innocence, former Deputy Sheriff Jerome Lockhard of Christian county, indicted for complicity in the \$95,000 Kincaid coal mine pay-roll robbery, today sent a letter to a local newspaper complaining that publicity had ruined him. Because of the notoriety he has gained since the robbery, he has been unable to obtain work, he says, and his wife and eight children are destitute.

CEDAR RAPIDS, Ia., Dec. 26.—William Preston Daniels, grand secretary of the Order of Railway Conductors from 1878 to 1895, and former mayor of Cedar Rapids, who died in Denver, Colo., on Dec. 22, was buried here today.

CINCINNATI, Ohio, Dec. 26.—Early morning automobile accidents caused three deaths, making a total of 97 deaths from such accidents in Hamilton county this year. G. F. Pillars and Miss Addie Schaeffer were killed when their car struck a pole on Victory boulevard. Three others of the party were seriously injured. Henry Gullerman, fifty-eight, was killed when he was struck by a passing automobile just after he had stepped out of a car in which he was riding.

BIRMINGHAM, Ala., Dec. 26.—Sixty-one colleges and universities are represented by delegates and visitors arriving here today for the seventy-third convention of the Phi Gamma Delta fraternity. The first session of the annual Ekkesian will take place Wednesday morning and the convention will continue thru Friday.

BURLINGTON, Ia., Dec. 26.—Over 7,000 live chickens and a half carload of dressed poultry were consumed when the Hazelby Poultry Co., house here was destroyed by fire Sunday morning. The building is a complete wreck. The loss is estimated at \$50,000.

SAN SALVADOR, Republic of Salvador, Dec. 25.—The Guatemalan national assembly has elected Marcial Prem as that country's representative on the provincial federal council of the Central American federation, according to a dispatch from Guatemala City. He succeeds Vincente Martinez, who held that post under the Herrera regime, before the recent Guatemalan revolution.

PORTLAND, Ore., Dec. 26.—George W. Walker, conductor, was asphyxiated and three other trainmen were overcome by gas or smoke late tonight when their train apparently was stalled in a tunnel between St. John's Junction and Portland, on the Oregon-Washington railroad and Navigation company's lines.

OMAHA, Nebr., Dec. 26.—Police hurried two carloads of officers into the heart of the packing plant districts at 10 o'clock last night after receiving word that a crowd of more than 100 men had gathered and that matters looked serious. The officers dispersed the crowd but were again summoned a few minutes later. They advanced with riot guns and fixed bayonets and cleared the street.

CLEVELAND, Ohio, Dec. 26.—Altho further adjustment must be completed, business conditions today are in happy contrast to those faced a year ago, according to the monthly review of the fourth federal reserve bank, made public last night.

# ASKS RECEIVERS FOR RAILROAD

FORT WORTH, Texas, Dec. 26.—J. W. Meaney, thru his attorneys, Flourney and Smith, Monday morning made application to United States District Court Judge, James C. Wilson, of the Northern district court of Texas for the appointment of receivers for the Wichita Falls, Ranger and Fort Worth Railway, a part of the Jake L. Hamon estate. Meaney is a creditor of the road having been connected with the construction of the line.

His claim being in excess of \$100,000 he is seeking foreclosure of a contractor's lien in the railroad. Due to adverse conditions the railroad company has been unable to liquidate debts.

# FINE PROGRAMS AT WOODSON CHURCHES

Entertainments Given Saturday Evening at Christian and Presbyterian Churches.

Woodson, Dec. 26.—A Christmas was given Saturday evening at the Christian church, and altho the weather was very unpropitious the attendance was large. The program included the following numbers:

Song, "All Hail the Power of Jesus' Name"—Audience.  
Prayer—Rev. I. H. Fuller.  
Responsive reading—Boys of Mrs. Jones' class, Clifton Gallo-way, Edward Smith, Eugene Meg-ginsan, Edward Spainhower.  
Class song, "Welcome Merry Christmas"—Mrs. Edward Gal-lagher's class.

Recitation, "When Dad Was a Boy"—Howard Rolson.  
Class recitation, "Christmas Gifts"—Martha Jones, Mardelle Henry, Lester DeLong, Clarence Adams.  
Song, "Little Babe of Bethel-hem"—Martha Jones, Milferd Megginson.  
Reading, "The Tale of Christ-mas Eve"—Juanita Harnoy.  
Class recitation—Miss Zella Crain's class.

Song, "What I Want"—Marion Smith.  
Recitation, "They Gave Him Their Treasures"—Hazel Daniels.  
Recitation, "Our Christmas Guest"—Margorie Fitzsimmons, Eloise Self, Mary Kitner and Frances Kehl.

Recitation, "What Shall We Hang on the Christmas Tree?"—Margorie Fitzsimmons.  
Class song, "A Broken Toy"—Miss Lucille Adams' class.  
Recitation, "How Would You Feel?"—Lester Henry.  
Song, "Star of Bethlehem"—Miss Zella Crain's class.

Quiz or Bible drill—Mrs. Ful-ler's class.  
Recitation—Paul Jones.  
Tableau, "Bringing Gifts to the Christ Child"—Mrs. Fuller's class.

At Presbyterian Church.  
Because of unfavorable weather conditions a change was made in the plans for the Christmas program at the Presbyterian church. A special missionary program had been prepared but as many of the children were unable to be present it was impossible to carry this out. Instead a miscellaneous program of songs and recitations was given and very much enjoyed by the good sized audience present. There was a large Christmas tree

and gifts for all the children. Some of the program numbers fol-low:

Reading—Miss Esther Cun-ningham.  
Exercise, "Christmas Colors"—Frank Powell and Dorothy Stein-metz.  
Recitation—Margaret Cuning-ham.  
Recitation—Phillis Steinmetz.  
Christmas reading—Chester Colton.

## News Notes.

At the Sunday morning service at the Presbyterian church the pastor, Rev. A. E. Powell, gave a very interesting object lesson, "The Wonderful Ball of Life." This was one of a series of such talks which Mr. Powell is giving as a preliminary to the regular service and intended especially for the children.

Mr. and Mrs. Maurice Thomp-son and children of Prentice are guests for a few days at the home of Mrs. Thompson's parents, Mr. and Mrs. Edward Gallagher.

### PETER W. COLLINS WILL LECTURE HERE

Well Known Industrial Expert  
Will Speak Under Auspices of  
Local Knights of Columbus—  
No Charge Is Made and Public  
Is Invited.

The 1921-22 Knights of Columbus campaign against extreme radicalism will be brought home to the citizens of Jacksonville when Peter W. Collins, well-known industrial expert and lecturer on sociological and economic subjects will appear at the K. of C. hall on Jan. 15, 1922 under the auspices of Jacksonville Council K. of C.

Mr. Collins is a leader in the nation-wide offensive the K. of C. are conducting against organized radicalism. He is acknowledged to be one of the best equipped authorities on Socialism, discussing all industrial problems from the viewpoint of a labor unionist in good standing and at the same

time insisting on the rights of capital as well as the rights of labor.

Serving as an industrial expert with the federal government during the war and as an active labor executive for many years before the war, he has come into contact with every phase of the sociological-economic problems that confront the United States. His evidence before the New York state assembly during the investigation into the activities of Socialist members of that assembly was one of the features of the most sensational legislative inquiry ever conducted in the United States.

As director general of K. of C. reconstruction and employment work after the war, Mr. Collins had charge of the functioning of the K. of C. system that placed 300,000 former service men back in civilian employment without a cent of cost to either employer or employees—constituting what Secretary of Labor James J. Davis characterizes as the most amazing

feat in the history of modern employment.

Mr. Collins' lecture will be under the auspices of Jacksonville Council, which has issued a general invitation to the public to hear him.

### MT. EMORY CHURCH NOTES

Sunday, Jan. 1, the pastor and members of Bethel A. M. E. church, will begin a series of revival services conducted by the well-known Rev. Franklin Bray, of Chicago, the "Rocky Mountain evangelist." The special gospel chorus will be under the direction of Miss Fayette Bowen, graduate of the Chicago Musical conservatory. The public is invited to attend these special services.

A watch meeting service will be conducted next Saturday night beginning at 10:30 and continuing until midnight.

Sunday, Dec. 18, Bethel A. M. E. church and the Second Baptist church in a joint meeting raised \$22.25 for the charity rooms to be established in the New Home sanitarium.

### CATHOLIC AID SOCIETY

Members of the Catholic Ladies Aid society will meet at the home of Mrs. Edward Brennan, at the Pacific hotel, Wednesday afternoon at 2:30 o'clock. The hostess extends a cordial invitation to all members to be present.

Miss Myrtle Larimore of this city is a guest of her sister, Mrs. L. W. Sherry of Decatur this week.

### CONGREGATIONAL CHURCH CANTATA

Dudley Buck's "The Coming of the King" Presented Before Large Audience

The cantata, "The Coming of the King," by Dudley Buck, was given at the Congregational church Sunday afternoon at 5 o'clock. The audience present filled the large auditorium and the cantata was strikingly beautiful in many ways, and rightly accounted by the audience as one of the finest ever seen in Jacksonville. A spotlight and colored slides were used effectively, and the music had especial significance.

Rev. George E. Stickney, pastor of the church, made plans for this entertainment and carried the responsibility which made the cantata such a marked success. Saturday it was found that one of the "Three Wise Men" to appear in the east, was unable to be present and then Rev. Mr. Stickney arranged to carry the lacking part, and in this way added to his already heavy duties.

The collection taken was for the Russian famine sufferers and was especially generous.

At the Sunday school hour in the morning the program as already outlined was presented, much to the pleasure of the children and the adults present.

Mrs. L. S. Doane, with numerous able assistants, was in charge of this program. A brilliant Christmas tree was a feature and there were gifts of candy for all of the children.

### D. C. CARSON IN SERIOUS CONDITION

William M. Carson, 613 Lorton street has received word of the serious condition of his brother, D. C. Carson, who was recently injured in an automobile collision in St. Louis. Mr. Carson who is past 70 years of age, is seriously ill at Josephine Hospital in St. Louis.

### COUNTY JAIL PRISONERS DINE

An old fashioned goose dinner was served to the ten prisoners at the county jail, Sunday by Sheriff and Mrs. Weatherford. A delicious menu and a treat of cigars was given them. On special occasions Morgan county prisoners get extra good meals but the fare is at all times first class.

### MEN WORK HARD ON PHONE REPAIRS

Eighty-five men worked all day Sunday repairing the wires along the Wabash railroad between here and Springfield. Telegraphic communication was seriously interrupted by the ice storm.

Both the Illinois and Bell companies have had much damage to repair. A large number worked Christmas day fixing the fallen poles and broken wires in the city and county.

### FORMER RESIDENT DIED AT LEAVENWORTH

William I. Green, One of the Early Citizens of Morgan County, Interment Will Be at Antioch Cemetery

The death of William Irwin Green occurred at the national home for old soldiers at Leavenworth, Kans., Saturday, Dec. 24. Mr. Green, who was long a resident of this county, had been at the home for a number of years. The remains will be brought to Jacksonville and to the Reynolds' chapel. Interment is to be in Antioch cemetery in a lot adjacent to that where Mr. Green's mother, was buried years ago.

William I. Green was born on the old Green homestead three miles south of Prentice in 1842 so that he had reached the age of seventy-nine years. He was a son of John and Eliza Orear Green, well known among the earlier citizens of this county. The mother died when he son was small and he was given a home by the late George Orear.

He attended the country school and then became a student at Illinois college. The after years of his life were devoted mainly to farming, and he had a successful business career. During the War of the Rebellion he saw active service. He was united in marriage to Miss Mary Rannels, who preceded him in death as did their son Stephen. Mr. Green is survived by three grandsons.

### MISS DORSEY WILL SPEAK IN SPRINGFIELD

Miss Dorothy Dorsey, the Social Service worker at the School for the Blind, will speak on "School Attendance vs. the Blind," at the convention of the State Truant Officers' association in Springfield, Wednesday. Other local social service workers will probably be present.

Among the speakers on the day's program are C. J. Martin, county superintendent of Tazewell county schools, Miss Abbie Gardner of Galesburg, who will talk on co-operation of teachers and school officials, Miss Mary I. Hickman of Springfield and Mrs. Fannie E. Crawford of Vandalia. William B. Brigham, president of the association will preside over the round table discussion of the problems arising.

### BOY IS INJURED

Stanley Gutekunst of 1147 King street received a painful injury to his right leg Christmas day. In company with his brother he was coasting when a sled in front of them overturned and the sled runner penetrated Gutekunst's right leg.

Miss Sarah Trubue of Hardip avenue is spending the holidays at the home of her son, Lyman Trubue in Roodhouse.

### COFFEE CUP INN IS BURGLARIZED

Thief Gets \$50 in Cash—Entrance Was Made Thru a Window

The Coffee Cup Inn on West State street was entered by a burglar early yesterday morning and \$50.85 taken.

The burglar made his entrance thru a window, after prying it open. The money was hidden in a box and the box hidden, but the thoro methods of the thief brought both to light. There were numerous indorsed checks also in the box but the thief did not molest these, nor did he take anything else from the establishment.

Mr. Ingram, the manager, feels sure that it is the work of an old hand at the game, and one who made a study of this special job.

This location, formerly the stand of Charles DeSilva, has been robbed several times in the past. So far no arrests have been made in connection with the case.

Mrs. Walter R. Dyer returned to her home in Chicago Monday evening after visiting at the home of relatives and friends in this city.

## What's What in Men's Fine Clothing

No suit of clothes is better than the tailoring that's in it, no matter how crisply new its appearance may be.

No suit of clothes can really fit, can really hang as it should, unless it is made for the man who wears it.

Quality is the fundamental thing about a suit of clothes—it is the only thing in your suit that endures.

Price is actually incidental, for without quality the cheap price is an extravagance.

## CUTICURA HEALED BABY'S PIMPLES

All Over Body When Six Months Old. Could Not Sleep.

"When baby was about six months old pimples broke out all over his body. They were small and when he scratched they would turn to a scale. At times his feet itched so we had to stick them in cold water and he couldn't sleep."

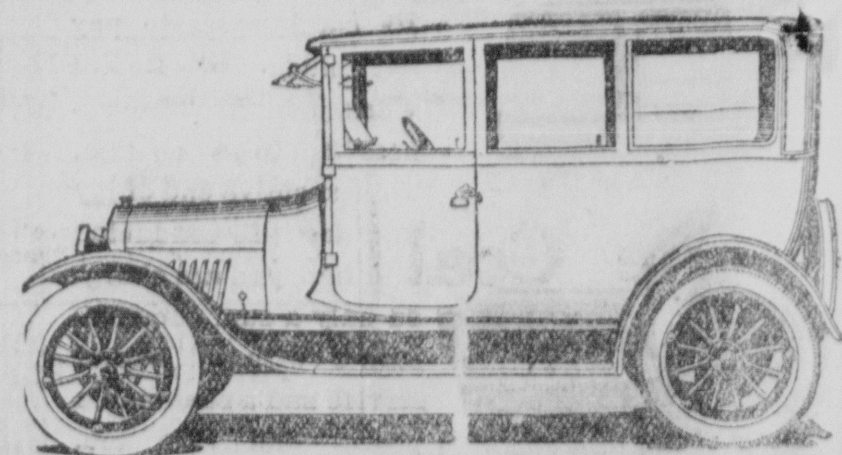

"I read an advertisement for Cuticura Soap and Ointment and sent for a sample. I bought more, and when I had used one cake of Soap and two boxes of Ointment he was healed." (Signed) Mrs. A. Loken, Skinne, Minn.

## EFFECTS OF STORM IN GREENE COUNTY

Telephone and Telegraph Service Badly Crippled By Storm  
—Bank Installs Burglar Alarm—  
—Other White Hall News.

White Hall, Dec. 26.—Communication with the outside world came to practically a standstill by 7 o'clock Friday evening under the tremendous weight of the ice on trees and wires formed during a mist to showers of rain with the temperature hovering around the freezing point. The effect of the ice-forming became first apparent about 1 p. m. Friday and from that time on the railroads worked with the utmost of their switches open, but the effect on railroad operation in the immediate location was in freezing the interlocking plant at West Roodhouse to such an extent that it was put out of service. Telegraph circuits were badly crippled, wires being down in both directions from White Hall, and during the night trains were

operated without dispatching. Telephone and electric service were the hardest hit, and it will require a week to restore telephone service. Several poles are down between White Hall and Roodhouse. Electric service may be partially restored tonight. Hogs ready for hygienizing at Gregory Farm laboratory became a loss because of the need of electric service to operate.

The clay works had electric service without interruption, as did the railroad terminals at Roodhouse, but street and private service in both cities were an unknown quantity. The total precipitation at White Hall during the past 24 hours was 1.02 inches. A trace of snow blankets the slick walks and highways this morning, and the great damage to trees find limbs of huge and small diamonds glittering the entire city. No personal injury has been reported. It remains cloudy, but no more precipitation appears to be scheduled for early delivery, and all efforts are now being bent on recovery from one of the most damaging sleet storms in local annals.

## Hard Road Open.

The detour between White Hall and Carrollton was eliminated Friday when the new hard road was put in service from Carrollton to a point three miles north.

The First National Bank has installed an automatic burglar alarm system for giving a general alarm in the event of robbery. The People's State Bank has presented to each customer a \$1,000 check alteration bond that is a protection to that amount in case of a check being raised or lowered, the latter requiring a bond protection perhaps.

The Masonic lodge has installed the officers for the ensuing year. They are as follows: W. M., H. R. Fry; Senior warden, M. S. McCollister; Junior warden, Robert Hicks; Treasurer, Guy Lowenstein; Secretary, R. S. Dickson; Chaplain, W. H. Garrison; Senior deacon, E. R. Green, Junior deacon, H. P. Anderson; Senior steward, Veachel Flowers; Junior steward, H. W. Culbertson; Tyler, S. P. Whiffong.

The township library is to be moved to the new quarters in the Chapin building, over Miller's Jewelry store, during the holidays. This will give more room for the expanding library, and the front is entirely of glass, giving better facilities as to light, as well as heat and ventilation. The new arrangement is effective January first. The progress reflects the splendid services of Miss Nell Strang as librarian.

A move is on foot to erect a gymnasium for the high school, and all the work possible will be done during the holiday season with the pupils giving the carpenters all the assistance possible in getting the work well under way so as to make it available as soon as possible. The arrangement enables the structure to be provided at a minimum of expense, and an initial fund of \$1,200 is being raised. It will be located on the school grounds.

## A BOX OF FRUIT.

Mr. and Mrs. D. C. Arnold of Grand avenue yesterday received a beautiful box of California fruits, sent by their son, F. L. Arnold, who is resident in Fresno, California. It is a big box containing a great variety of fruits and the recipients greatly appreciate the gift.

JACKSONVILLE PLAYS DELAVAN

Strong Team Will Face Local Five Locals Will Fight Hard to Keep Slate Clean.

Coach Mitchell's High school basketball five will face the fast Delavan high five in David Prince gymnasium this evening.

Delavan always has a good team and this year is no exception. Saturday night she defeated Easton high by a score of 47 to 19.

Jacksonville has been working out daily since the vacation period started and will be in first class condition for the fray.

The locals have the scalps of Camp Point and Murrayville hanging to their belts and will fight hard to add Delavan's. Coach Mitchell has one of the strongest teams this season that has represented the high school in a number of years.

In the game with Murrayville, Goebel and Hunter forwards, Putnam center, Hunt and Arter guards. The game will start at 8 o'clock.

Those \$3.00 values in the boys' Berkshire knee pants we are selling this week at \$2.15, at TOMLINSON'S.

FLOYD LASHMET WEDS WHITE HALL GIRL

Former Illinois College Student Weds Miss Irene Spangenberg in this City—Wedding Kept Secret for a Time

It was not until Christmas day that friends of Floyd H. Lashmet of Manchester and Miss Irene R. Spangenberg of White Hall, learned of their marriage which was solemnized in this city last Wednesday afternoon. The ceremony was performed by Rev. C. D. Robertson, at Centenary parsonage, with Russell Plunkerton and Miss Inez Robertson as he witnesses.

It was at first the intention of the young people to keep their marriage a secret, but in some way the news was spread about and then came the acknowledgement and congratulations.

Mr. Lashmet graduated from Illinois college last June and is well remembered here as one of the popular students. He is enrolled this year in the medical school at Ann Arbor and is to return to his work there at the close of the holidays. Mrs. Lashmet is well and favorably known in her home city.
